Case No. MP-2001-29

This proceeding is instituted pursuant to Title II, Article XI, Section 10, of the Compact for the purpose of determining whether Certificate of Authority No. 562 shall be revoked.

Article XI, Section 7(f), of the Compact directs each person holding a certificate of authority to comply with the Commission's insurance regulations. Commission Regulation No. 58-01 requires each carrier to maintain on file with the Commission one or more WMATC certificates of insurance showing the minimum liability coverage prescribed by Regulation No. 58-03, which in respondent's case is \$1.5 million.

The \$1 million primary-coverage certificate of insurance on file for respondent was cancelled as of 12:01 a.m., April 3, 2001. The \$500,000 excess-coverage certificate of insurance on file for respondent was cancelled as of 12:01 a.m., April 5, 2001. No replacement certificates have been filed. Consequently, respondent is in violation of Regulation No. 58-01.

Under Article XI, Section 7(g), of the Compact and Regulation No. 58-02, respondent's certificate of authority is invalid and automatically suspended.

THEREFORE, IT IS ORDERED:

1. That respondent is made a party to this proceeding.
2. That respondent is directed to file an appropriate certificate of insurance within thirty days or show good cause why its certificate of authority should not be revoked.
3. That respondent is hereby directed to cease and desist from conducting transportation subject to the Compact, unless and until otherwise ordered by the Commission.
4. That respondent may file within 15 days from the date of this order a request for oral hearing, specifying the grounds for the request, describing the evidence to be adduced and explaining why such evidence cannot be adduced without an oral hearing.
